

Comprehensive Guidelines for Srusti Tech Hack

Overview

Srusti TechHack: DigiGram Vikashit Bharat is a competitive, innovation-driven hackathon in which participants develop digital solutions to address real-world challenges in rural governance. Over two days, participants design, prototype, and present solutions under the theme *DigiGram Vikashit Bharat*.

Registration Process

- **Timeline:** Registration opens December 15, 2024, and closes January 15, 2025.
- **Platform:** Register online at <https://bridge.batoi.com/page/p/srusti-techhack1#resources>.
- **Required Information:**
 - Full Name
 - Institution Name
 - Department/Year
 - Email Address
 - Team Name (if applicable)
 - Area of Interest
 - Agreement to the Terms and Conditions

Team Formation

- **Team Size:** 3-5 members.
- **Composition:**
 - Interdisciplinary teams are encouraged.
 - At least one member must be from a technical background.
- **Individual Participation:** Individuals can register but are encouraged to form/join teams during the kickoff session.

Event Format

The **Pre-event Online Workshop** on January 23, 2025, at 2:30 PM, will provide detailed information about the problem statement and event format.

Problem Statement: *Develop a Digital Complaint Management System for Rural Panchayats.*

Kickoff Date: January 25, 2025, at 9:30 AM.

Hackathon Duration: Two days (January 25-26, 2025).

- **Elimination Rounds:**
 - **Day 1:** Start with 100 participants, reducing to 25 after Round 1 eliminations.
 - **Day 2:** Begin with 25 participants, selecting the top 3 winners by the end of the event.
- **Mode:** Entirely in-person at Srusti Academy of Management.

Mentorship and Mid-Evaluation

- **Mid-Evaluations:**
 - First checkpoint: January 25, 2025, at 8:00 PM.
 - Second checkpoint: January 26, 2025, at 2:00 PM.
- **Mentorship:**
 - Available during specific slots.
 - Mentors will guide and provide feedback on progress.

Final Submission

- **Deadline:** January 26, 2025, at 5:30 PM.
- **Deliverables:**
 - Project ID
 - A 10-minute presentation demo.

Judging Criteria

- **Innovation (30%):** Originality of the solution.

- **Feasibility (25%):** Practicality of implementation.
- **Impact (20%):** Relevance and scalability.
- **Technical Quality (15%):** Coding standards and completeness.
- **Presentation (10%):** Clarity and delivery.

Prizes and Rewards

- **1st Place:** ₹ 15,000/- cash, certification, and internship opportunities.
- **2nd Place:** ₹10,000/- cash and certification.
- **3rd Place:** ₹ 5,000/- cash and certification.

Feedback Collection

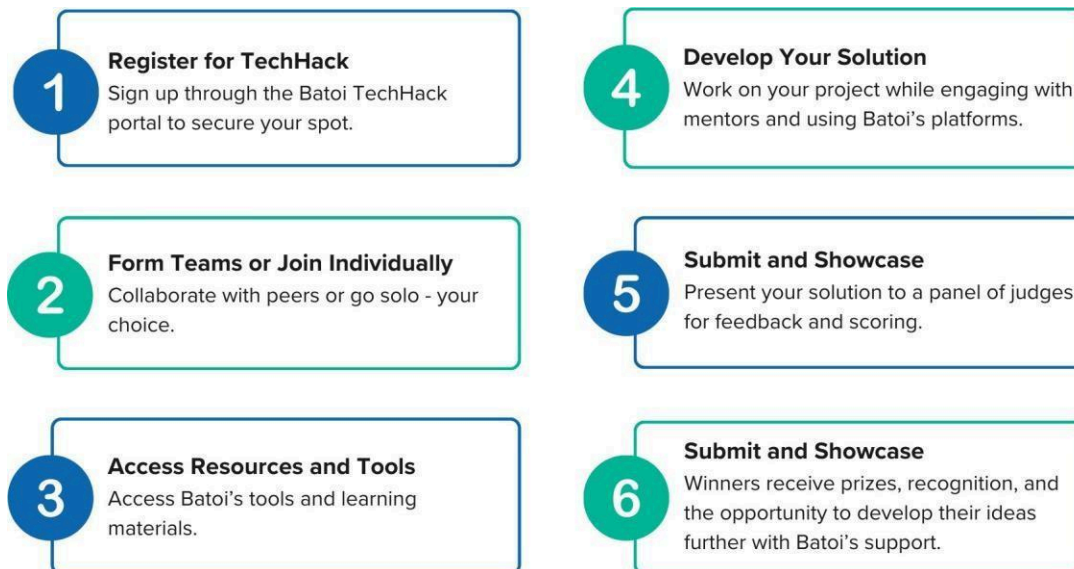

- After the hackathon concludes, participants, mentors, and judges will be invited to share their feedback through an online form.
- The feedback will cover areas such as event organization, technical resources, mentorship quality, and overall experience.

Platform: The feedback form will be shared via email and accessible on the Batoi Bridge platform. Feedback must be submitted before the results are announced.

Code of Conduct

- Respect all participants, mentors, and judges.
- Submissions must be original; plagiarism leads to disqualification.
- Maintain professional behavior and avoid harassment.

Process Chart

Agenda

Day	Time	Activity
Day 1	8:00 AM - 9:00 AM	Arrival, Breakfast & Welcome
	9:00 AM - 9:30 AM	Inaugural Address & Hackathon Guidelines
	9:30 AM - 10:00 AM	Release of Problem Statement & Briefing
	10:00 AM - 1:00 PM	Hackathon Kickoff: Development Begins
	1:00 PM - 2:00 PM	Lunch Break

	2:00 PM - 6:00 PM	Hackathon Continues & Mentorship Sessions
	6:00 PM - 7:00 PM	Elimination Round 1 (Shortlist to 25 participants)
	7:00 PM - 8:00 PM	Dinner & Day 1 Recap
Day 2	8:00 AM - 9:00 AM	Breakfast
	9:00 AM - 1:00 PM	Hackathon Continues & Mentorship Sessions
	1:00 PM - 2:00 PM	Lunch Break
	2:00 PM - 5:30 PM	Development, Testing & Refinement
	5:30 PM - 6:30 PM	Final Presentations to Judging Panel
	6:30 PM - 7:00 PM	Announcement of Winners & Prize Distribution
	7:00 PM - 8:00 PM	Closing Remarks & Farewell Dinner

Logistics

Managed by Srusti Academy of Management:

- **Accommodation:**
 - Day 1: 100 participants.
 - Day 2: 25 participants.
- **Food:** Four servings per day (breakfast, lunch, snacks, dinner).

- **Infrastructure:** Venue and required amenities for participants.

Technical Support

Managed by Batoi Systems Pvt Ltd:

- Overall platform for managing the hackathon.
- Judges and mentors for evaluation.
- Collaboration with external agencies for technical resources.

Post-Event Activities

1. Networking Opportunities:

- Participants will have the chance to connect with industry professionals, mentors, and peers through an exclusive post-event networking session (virtual or in-person).
- Access to a dedicated Batoi Bridge community channel for continued collaboration.

2. Project Showcasing:

- High-quality projects will be showcased on Srusti Academy's and Batoi's websites and social media channels.
- Selected solutions may be presented at future tech events or innovation expos.

3. Follow-Up Support:

- Batoi may offer development credits, platform access, or mentorship to promising projects for further refinement and real-world deployment.
- Internship or funding opportunities for standout teams, where applicable.

We agree with all the guidelines of Srusti TechHack.
